The Premises:

Ego Massage is well known enough to not need a encryption - though its good that the showers are more reliable now....

The Lady:

Very attractive blonde - the commonest words used to describe her are elfin or pixie-like and thats pretty spot on. What it doesn't describe is the raunchy knowing look in her eye and tone in her voice...

The Story:

This was the second time that I've seen Faye at Ego (assuming I got the dates right) - we ran out of time the previous week, so I pre-booked 90 minutes for this session. This was one of the best, most erotic, most intimate massage that I've ever had. Faye follows her own rules and goes where the inspiration takes her - and it was absolute perfection. Totally wonderful time.
