### The Premises:

I walked around like a wally for a short while until I remembered that I could count and eventually found the house. Nice, clean, greeted with a smile, wouldn't mind living there actually! The room was great, clean with a nice sofa and reading material. The bed was as comfortable as a cloud stuffed with teddy bears.

### The Lady:

.....Just.....bloody fantastic....Still lost for words.

### The Story:

As I sit here in the office, all I can think about is Heather. I've been asked to write here about the 'Experience' well, first correction is that I'll be writing about the 'life changing experience'. Think that's over the top? Well put it this way, I didn't think it was possible for a woman to be as amazing as Heather. I'm not only talking about looks but more importantly, personality.

The meet started off with me being a bit lost, but soon enough I found my way to the front door. Was greeted with a smile from a lovely lady and honestly felt right at home. I was comfortable and felt good so well done Annabellas for creating such a relaxing, friendly atmosphere.

I sat in the room for a minute or two until I heard foot steps, I made sure I was looking decent and breathed in (can't have her thinking I'm a little porky can I?) In walked Heather and for a second I just paused. Staring at her like a kid who just found out he'd won a trip to Disney land. I'm not sure how long I was starring at her, not saying anything, but I think it was verging on the insane. But luckily I sprang up, introduced myself and from that moment on we were like a house on fire.

The tragedy it turns out of this meet was that I only could afford (time and cash wise) 20mins. But once funds were out of the way it was on to the action. "Well then, lets strip off!" Heather said with a cute smile. That day I managed to beat a world record, by clothes were off in a Usain Bolt beating time of 2 seconds. As each item of clothing came off Heather my heart skipped. I was close to getting into a state, you see I'm not the greatest looking guy, have very little self confidence and never EVER get female attention. So when a beautiful woman is stripping off in front of me I was

understandably close to a heart attack. Once she was naked we got close and kissed. I think she could tell I was nervous so she calmed me down with some great slow kissing that calmed me right down. Feeling her boobs against my chest and my cock knocking on her pussy, I think she could tell I was ready.

We got on the bed and was treated to some 'oral with' (at my request, owo was offered) and soon enough I had this incredible woman on top, riding the whole length of my hard cock. Just the sight alone.....I still have it in my mind. When I say this I mean it, honestly, how ever over the top or what ever it sounds: Heather, to me, is the most attractive woman I have ever, EVER had the pleasure of meeting. I shit you not. With her looks and just INCREDIBLE personality she is number one for me.

Continuing with the meet, I got on top and gave her the best I got and ended with her sucking me off and taking my load in her mouth. It was quite a huge load haha.

We cleaned up, chatted, kissed a bit and I was on my way. Even though it was only 20mins, the meet with Heather couldn't have been better! (apart for more time obviously)

The main reason I do this (see ladies) is because of everything I missed out on when I was younger. I was bullied terribly in my school years and early 20's and at the age of 26 I decided to change my life. Get smarter, faster and stronger and catchup what I missed out on when I was younger. Now that I've met Heather, the most incredible woman I've ever met I can finally put this part of my life to rest and move onto the next part. At a few months off 30, I still have time to go back and visit Heather some more but after that I'll have to move on.

So to conclude, if you are looking for a Female that is really going to make you feel great about yourself, show you the epitome of a woman and truly change your life; Heather is your girl!

Thanks for everything Heather, look forward to seeing you again very soon.
