### The Premises:

A well known parlour in Thornton Heath. Pleasant enough and with all the facilities that you would expect. Well managed premises.

### The Lady:

Slender, petite with dark hair. Small breasts but in proportion to the rest of her. She was a gentle soul and happy to help me in my hour of need.

### The Story:

There were two girls to choose from and I selected Denisa. Once I'd had a quick wash I went back into the bedroom where she was waiting. We had a quick cuddle and then she got down to sucking my by now erect cock. I was gagging for a shag after the previous week's experience and she was such a warm and welcoming woman in comparison. I gave her reverse oral also, but on a quickie there isn't much time for such niceties, and I was soon fucking her with gusto. She was so small and slender, that my cock felt enormous as I penetrated her and she was eager in accepting, and held my balls until I came.

Wow - shows that you don't need to spend a lot for a wonderful experience.
