The Story:

I don't really write reviews on my punts however Sarah deserves one!

Ex fun place girl! Fun place in my eyes was the Midlands version of Manchester's Sandy Superstars! Where the service is always 100%

Anyways, I don't usually see the same girl twice however I remembered my experience with Sarah from years ago at Fun Place I couldn't help but tempt myself to her this time. Sarah walked into the room and straight away greeted me with a kiss full on the lips. Told Sarah was after PSE which she was happy to provide.

Financials out the way (£60 inc OWO) Sarah continued to kiss me passionately! Within seconds Sarah was on her knees with my cock in her mouth - I hadn't even taken off my trousers!

Sarah then told me to get onto the bed at which point I quickly took off my clothes and got comfortable. Sarah continued to suck my dick, continuously spitting on it keeping it wet which plenty of dirty talk " I love sucking your big rock hard dick"

Sarah then took my dick so deep into her mouth I thought she was going to choke on it however she told me she loved this!

I told Sarah to sit on my face so I could taste that pussy of hers. Up she came to me with her tits in my face and then french kissing me! Then she sat on my face while I licked her sweet pussy! Sarah provides most service and with her ass in my face I couldn't resist. I spat on her peachy ass and stuck my tongue as deep as I could and got it wet. With her ass lubed up with my spit I fingered her ass whilst sucking on her pussy. Before I knew it Sarah had me in a 69 position sucking my cock

whilst I was munching on her pussy with a finger in her arse! With her bent over I rimmed her sexy arse whilst she continued to suck my dick!

As I got up for some air I went to kiss Sarah who licked my face tasting her own pussy juices! I told her to spit it in my mouth at which she replied "you dirty bastard, I fucking love it"

I then put Sarah on her back and went down on her at which point she pulled out a vibrator! With the vibrator on her clit n my tounge running up n down her pussy Sarah climaxed!

Sarah was then ready to pop on the rubber and "fuck my brains" however I asked her to continue sucking my dick. With her knelt down with her ass showing in the mirror, she sucked my dick whilst I fingered her arse and I could no longer hold off! I shot my load in her mouth! WOW! Sarah took it like a pro and let it drip all over my dick sucking it back up like a dyson!

After helping me clear up, we had a good chat about cars and I paid her extra £20 for CIM and gave her £10 tip and left

Time flew with Sarah and its unfortunate I did not get to fuck her or smash her back doors in. Maybe next time!

I dont think Sarah remembers me from her Fun Place days however she certainly wont forget me after todays visit! She is a popular girl! Treat her well! A true gem who loves her job! Naughty, horny and down right filthy!

See you soon Sarah x
