The Premises:

Lovely high ceiling apartment, very light and airy. She recently moved to this place in Bayswater. Nice and safe area.

The Lady:

As per her photos. Very pretty. Went to see her in the afternoon so she had little or no makeup but she looked just like her pictures sans makeup. Very nice. Good bones, good teeth!!!!

The Story:

Abie at abby69 was amazingly helpful once again. I have been wanting to see Lindsey aka Kate for a long time now. I have spent many hours salivating over the pictures. As a result I was worried I may have played her up too much in my mind. Abide did some checking and reassured me that the pictures were a good reflection of Lindsey and I was not let down.

Buzzed into the apartment and was invited upstairs to her bedroom. She was very kind, attentive and eager to please and followed my lead. We sat and talked for about 10 mins which was great as it allowed me to make connection and look at her face, body and eyes. She is intelligent and can speak English to a high standard so that really helped. We discussed her eyes as they were green but in sunlight that can be blue. If she is sad or angry they turn grey. Thankfully they stayed green throughout the encounter.

After having a chat we undressed and spent 10 or so minutes kissing which was wonderful and then she continued kissing my chest and proceeded to provide a rather good OWO. It was then time to put on the mac and she then rode me for a while. All the while making sure I was ok and if I wanted a different position she would happily oblige. We kissed, caressed joked and laughed and carried on having sex at the same time. It was in no way rushed and allowed me to really enjoy her company, body and the encounter. She felt very smooth and tight and in fact felt so good I was concerned that maybe my protection may have come off! Thankfully not so we then proceeded to my favourite position which I don't know what it is called but basically like missionary but with her legs on my shoulder. This allowed me to go much deeper and felt amazing. I finally finished and she allowed me a moment to compose myself before proceeding to clean me up. She then lay in my arms and we talked a bit more which was really good fun. She laughed at all my silly jokes which

was great and I really thank her for this as it allowed me to relax.

In summary lovely girl, very pretty, good English and will definitely return. I will next time ask her to dress up to the nines and maybe take her for dinner first as she is really good fun.
