### The Premises:

Massage Northampton - flat above a shop. all nice and tidy and clean. Comfy bed (I got the first floor room today) shower worked fine. nice clean towels.

free on street parking in nearby streets.

### The Lady:

Shantel is on the parlour gallery. coloured lady with black curly hair, about 5'8 tall (guess) and nice smooth skin.

she came in in a black basque and suspenders and black stockings. all very nice.

Deffo british - south eastern England accent.

lovely.

### The Story:

second time I had seen Shantel. started with a cuddle and a snog, then she undressed me interspersed with FK. then while I stood she crouched to give me a lovely BJ.

then onto the bed for some cuddling and foreplay, then we went into 69. Watching that lovely brown arse descend onto my face was mind blowing.

after the 69 on with the condom then she rode me expertly Asian cowgirl grinding this way and that.

A good party trick that.

nice cuddle and then shower and I left.
