### The Story:

I have been visiting Sienna for probably just over 2 years now so thought it time I wrote a review. Extremely popular lady and if you visit you will see why!!!.. Got there early as I always do offerd drink by sue friendly receptionist.after short wait was shown into well furnished room big double bed TV showing porn and shower.Sienna entered and as always looked fantastic black lace outfit stockings and heels.Back massage then Sienna knows I am submissive so really made me do as she wanted which I love.Oral both ways and a special way we finish our time together which I think we both really enjoy!! Just wish we could get another guy involved as well !!

Sienna really enjoys what she does which is so important and makes you feel so at ease you feel like her friend and lover don't miss out...if you do?..you are missing the best
