The Lady:

As per.. Attractive, slim but not skinny, beautifully formed. Lovely little titties capped with responsive & delightful nipples and a pussy you normally only dream of.

The Story:

Being a bit of an oral freak I went for that with reverse oral as well. Started with some passionate kissing before moving into a 69. Jan had warned me thatshe loves receiving but takes a lot of satisfying thus. What a challenge. Stopped the 69 as I was enjoying it TOO much. I then proceeded to work on her pussy in several positions, between, astride etc. bringing her close on several occaisions. After over half an hour the tongue was starting to feel the pace (Jan is very demanding) so finally I took her over the top. Boy does she come intensely. I've tasted may a pussy in my time and to my mind Jan's is possibly the sweetest, tastiest ever.

Then it was my turn. Super action, brilliant BBBJ. After about 10 mins I could stand it no more and came powerfully in her mouth. Not a drop was wasted, a truly fantastic experience.

We cuddled up and chatted for another 15mins or so until I cleaned up and left, again with some passionate kissing. Never any rush, just a truly relaxing girlfriend experience.

Jan is one lovely lady and I just can't wait for a return. my hands were still shaking with excitement as I drove off!

Her location may be a little isolated but a visit is well worth the effort, believe me.
