Stunningly beautiful. Even more so in person compared to photos on site. Natural breasts that felt amazing. Eyes that you could die for.

The Story:

This was my first experience back into the world of escorts after a hiatus of 6 years. I chose Francesca purely from the photos on her profile (I have a thing for busty brunettes - I wasn't disappointed). She made me feel welcome straight off and offered shower facilities. After returning to the bedroom we chatted for a while and she was keen to find out exactly what I was into sexually. She then tailored her performance around that. She teased me with her body, was a great kisser and her hands are the wandering type. The experience was very sensual and I could tell she loved her work.
