The Story:

I dated her a couple of weeks ago. It was my second date. In the first date, a few months ago, anal was not on the menu. I had penetrated her sweet puss then.

I had told her that when her ass was available to fuck, I will be back. I saw that she has opened up her backdoor for the punter's pleasure.

I fucked her in her tight and lovely asshole to my content. I pounded her sweet ass for over half an hour and then came inside her ass deep. For the second round, I came in her beautiful mouth while she was fingerings my ass.

She is very beautiful and kind. I wish her well.
