The Story:

So I have always wanted to see Tia Layne, her price mark really delayed me in doing so but I decided to cough up and check it out.

She's as attractive as the films, gorgeous boobs and arse, shorter than I imagined but not a pro!

I caught Tia for her first booking of her visit in London, she was working before shooting a porno then heading back to Liverpool. I of course, expected an action filled actress performance from her after she locked the 250 token in the safe, unfortunately I didn't get it. She , like many escorts ran through the motions not overly bothered. She fakes an orgasm whilst you hear the classic one liners you witness in her films.

Gorgeous girl absolutely stunning but she failed to live up to her pricey tag, I won't be returning.
