### The Premises:

Pleasantly furnished apartment near Staples. Plenty of metred parking available nearby.

### The Lady:

Pocket rocket-small but perfectly proportioned. Attractive face, nice eyes, lovely firm boobs and bum. Looks very young for her age.

Speaks very good English but has nice Polish accent. Has lived in the States in the past and seems to have had an interesting background.

### The Story:

Was delighted to see that Dahlia was making a re-appearance in MK after an absence of a few months.

As mentioned above she is on the small side but has a big personality - outgoing, fun and very naughty.

She is a great kisser and affectionate, which makes her ideal for a GFE. But she is also experienced and

probably hard to shock so I'm sure she has what it takes to satisfy other needs!

Definitely one to put at the top of your bucket list!
