### The Premises:

A location on the ground floor in the usual street in Central Milton Keynes - near the shopping centre.

Clean room as usual.

### The Lady:

An attractive girl. I recognized her face from her photos. Her body looked darker (tanned) compared to her photos which show her as very pale. Very pleasant.

### The Story:

Anna gave me a glass of water, as requested, and we undressed.

We started with a good kiss, then she prepared for oral on me : she gave me a wipe, then asked if I would like oral with, or without.

I said "oral without if it is alright with you". She gave me OWO as suggested and I enjoyed touching and playing with her body during this.

I asked to lick her pussy and I enjoyed this :I think she quite liked it with some quiet moans, but perhaps not quite as much as some other girls.

Then I got off the bed and stood up and we kissed again. Then I asked her to play with me with her hands while I kissed her. This was really great : I kissed her constantly until she made me cum.

Kissing and cumming at the same time - really lovely!

We did this standing at my suggestion.

A very pleasurable experience. Thank you Anna.
