pictures are accurate, very much a girl next door type, tongue piercing, attractive

The Story:

45 mins absolutely shot by, started off with very deep kissing which i adore. then a prolonged bit of 69 which i think she enjoyed as much as me as by the end she was squeezing my head with her legs. then on to the sex in several positions which again was great with her pushing back at the right times. can't wait to see her again, will have at least an hour next time especially with what she promised me ;)
