The Story:

To be honest, this is my first and (reluctant) review on a WG..

I have been going to Annabellas/house of Devine of several years now and had several "highs and lows" along the way and have always been fairly private along the way..giving credit where it's due..and felt I had to write a review on the "lovely"Ruby,

I have had several visits now, but will never forget my first visit...I arrived at 15.25 for my visit at 15.30 and was shown to the room by the maid..who said "Ruby" would be with me very soon,...I was left there admiring the scenery for the next 15minutes, which seemed like an eternity, and ready to leave, when in bounced the lovely "Ruby".. I looked at at my watch and her and said to her what time do you call this?? She said don't worry you will have your time :-) ...well to be honest the next 45mins was a complete blurr, will not go into too much detail but most of the services that Ruby provides were there on offer to be fulfilled! I know it's foolish to think that WG's like what they do..but I genuinely believe that some people "click" and I feel that..in certain circumstances this is the case! Don't like to say this guys..but this girl is worth a visit!

Ruby...love you babe xxxxx
