The Premises:

First visit and found it a nightmare to find. Looking for a certain landmark, but must have come in from the other direction. After finding a suitable parking place, flat was found ok and was very clean and spacious.

The Lady:

Wow, Michelle is lovely, even better than her pictures. Fantastic size 8 body, long black hair, gorgeous pert breasts with lovely nipples and skin as smooth as silk.

The Story:

As soon as I saw Michelle, in skimpy bra and thong, I thought, Wow, she is gorgeous. This is a rare event for me, and as such, was very nervous, but Michelle put me at ease straight away by putting her arms round my neck and kissing me with her lovely soft lips. She then said, "Shall I say 'Hello' to him now?", whereupon, she dropped to her knees and took my cock in her mouth. This felt great and I enjoyed watching her sucking me in the mirror. She took it all in right to the back of her throat. After a short time, I told her I wanted to see her pussy, so she lay on the side of the bed, and I got down to admire her pussy. I licked her lovely pussy, which was as sweet as candy. At my request she then put a condom on me and I slid my cock inside her, in the same position. I had made up my mind that I wanted CIM, so it was very much stop and start, sorry Michelle, as I didn't want to cum too soon. She then turned over for a doggy session, putting her face into the bed and her arse high in the air. Wow, everything was on show, absolutely fabulous. I kept easing my cock into her pussy, then pulling it out and enjoying her gaping pussy, followed by a few deep thrusts in succession, but still mindful of not getting too excited. A bit more kissing with tongues and cuddling, before it was time for the final event. I lay on my back and she got over me and started sucking me. Her oral skills are superb and it wasn't long before I felt the sap rising. I had checked it was ok to cum in her mouth earlier, so gave it my best shot and deposited my seed in her mouth. She kept sucking until she was sure she had got it all, then withdrew, showed me my load, then discreetly let it into a tissue. She then cleaned me up and so ended a wonderful sex session. In summary, I can't imagine it gets any better than this. Michelle is very friendly and obliging and her body is faultless, the sort of girl you would want to take home to meet your Mum. And she does what it says on the tin. Would love to see her for longer next time and give her the pounding she deserves. This girl will

not disappoint. Highly recommended. Thanks Michelle for a lovely time.
