### The Premises:

New parlour in Bury around the corner from another well known parlour. Reception is very plush and nicely decorated with pictures of ladies on the wall and a flat screen tv on another with leather seating upholstery. Room I went into was also nicely decorated with a nice shower.

### The Lady:

There are no pictures of Kerry yet as she is new and this was her first day. Not good with descriptions but she is nice looking with blonde hair about 5ft 6in and probably in her early 30's she could be younger. Would say her figure which is nice and shapely is about a size 10 with a 36dd bust but like I said I'm no good with descriptions.

### The Story:

Picked Kerry from a choice of her and Lucie just something about the way she introduced herself that's not to say Lucie wasn't nice looking just my choice.

Had a shower and Kerry arrived has I was drying myself off. She stripped off and I asked her about the fees which was £65 minus the £10 discount for gfe. We got straight down to business has I don't like people messing my dodgy back. She rubbed her big boobs on my chest as well as licking my nips and stroking my balls which she did quite gently and expertly and this had the desired effect for me. Oral without was given then reverse oral which she said she enjoyed. We then had sex in a couple of positions very nice indeed before I came.

The 30 mins spent with Kerry were very enjoyable and not rushed and I will definitely go and see her again. Gfe have found a gem in my books :)
