The Lady:

Heather appears gentler in real life than in her pictures, where her poses are reminiscent of a beautiful spy in Austin Powers. She looks much younger than her advertised age. Blonde, very attractive, piercing blue eyes fab natural boobs, and a great smile.

The Story:

She stripped off pretty quick, asked if i kissed, and then standing and naked we began to kiss. Moved to the bed and oral. Heather said she wanted me "to have it all". She suggested we shag but i had to tell her before i was about to come, so we could enjoy CIM. Cowgirl, fantastic. Cuddling kissing, then when she gently arched back, the vision of her was jaw dropping. So time to stop and move to oral, which ranked with the best ever. She kept at it until she was convinced i was empty and then opened her mouth and let it all spill out onto me. We chatted as she cleaned me up. She is witty and a great conversationalist. A great experience with a fab lady.
