### The Premises:

The smaller ground floor apartment near the shopping centre. Plenty of parking at reasonable prices, the apartment has been this establishments premises for quite some time and could do with a slight refurbishment, however, still very clean.

### The Lady:

Chloe is a tall, curvy leggy blonde with amazing shapely breasts at least a DD cup. She was wearing a very sexy green bra and g string panty combination that really accentuated her amazing figure, the only way to top that (in my opinion) would be hold ups or stockings!

### The Story:

I picked a very busy day and arrived with no rooms free and ended up waiting in the kitchen, after a few minutes Chloe came in and instantly I knew I had made the right choice. I had a ten or so minute wait but when we finally got into the room it was well worth the wait. Once the formalities were finalised Chloe pressed her amazing body against me and we kissed passionately, I helped remove the bra and came face to face with her wonderful DD chest. What followed exceeded my expectations, the RO was a personal highlight, it took a little while but hearing her moan in pleasure was very satisfying. Chloe then gave me unbelievable head, deep throat, lots of licking which had me very close, I had to 69 this beauty, and when the time arrived I blew my load over those tits. The rest of the hour was a whirlwind experience, something that I intend to repeat at the earliest opportunity, she managed to make me cum another two times!

Chloe, thank you sweetheart, you were amazing!
