Very nicely decorated and clean flat in a very discreet, central location several tube stations.

The Lady:

I am always a bit sceptical about the phrase " her pictures don't do her justice". In Christine's case it's sooooo true.

Her smile is truly amazing, and even more apparent in person. It lights up the entire room.

Dressed in sexy underwear which didn't stay on at all long

The Story:

As soon as I got in the room we were all over each other. This was GFE at it's most intense. We did all I wanted to do and could manage. I had a list but I threw it out the window and will complete the list next time, and I reckon we'll manage a few more things besides.

Got buzzed into her flat and was greeted at the front door by this vision of loveliness. Curvy size 10, 5'7", dark brown hair wearing stockings and suspenders and a big smile. Into the room and we started kissing and generally groping around. Once we had stripped off and were on the bed, the kissing started to move up a notch or four. There was a quick break while I went over her knee for a medium spanking which I really enjoy. Then back to it. I was getting some quite excited noises from her and had to have a taste. She does like to be licked. So much so that I was there for some time.

Then it was my turn. She is clearly a mind reader, and she went for OWO without asking me. This is where her experience showed again. She is great at it and very responsive to suggestions. She's also really open about her likes and dislikes so I got loads of ideas for next time. What I am struggling to put over is just how intense the hour was. I was literally shaking at the end of it and had to be revived with a sit sown and a chat.

One of my best ever punts. I'll be back as soon as I can for a rematch. She really gives a fabulous service. I can't see myself returning to anyone else.
