The Premises:

Convenient and in great condition. Friendly receptionists, showers available in rooms.

The Lady:

Millie is a cute young English girl with a ready smile, a pretty face and a friendly, chatty manner, which means the atmosphere is positive from the start and everything about her manner only enhances this as the session proceeds.

The Story:

Not sure how I have missed out on seeing Millie before. perhaps the pics don't do her justice and she expects to have new ones soon.

In the flesh, Millie is a lovely young English girl with a positive attitude that gets the session off to a great start.

I asked to start with a massage on Millie and this proved a good way to get each of us to know we were both positive and respectful.

During the massage, kissing and fondling kept up the positive vibe with Millie happy with anything I did.

Then followed owo before Millie slid up my body for cowgirl sex.

Later we switched to mish and then doggy with chat having given way to an intense sexuality.

I had a great time with Millie and loved her positive and can-do attitude.

I am already looking forward to seeing her again.
