### The Premises:

Nice ground floor flat...easy to find.

### The Lady:

late 20's early 30's.....Some stunning professional shots on the web site....and it was definitely her when she came in the room...stunning looking elfin like girly with ash blonde bobbed hair. Just my kind of woman

### The Story:

Told her what I was looking for which was a 1 hour gfe experience. Happily agreed, began with lots of kissing and stroking, moved off couch onto bed removing panties on the way...wow...she has great boobs, lovely nipples and a perfect shaven pussy. We carried on the kissing and cuddling (no tongues mind - but not an issue)and I moved down for RO which was great I put the effort in and she came!! my turn next, Nikki only does OW but to be honest it didnt detract one bit from the experience as there was lots of eye contact.....onto mish, she was so damn sexy I didnt last as long as I would have liked....clean up and offer of massage, more stroking and kissing out on the hour. No clock watching, didnt feel rushed....exactly what I needed/wanted....left very happy!
