### The Premises:

Geographically I prefer the Warren Street location but there is nothing wrong with Victoria.

### The Lady:

accurate photos on web site, very nice figure, quite pretty, about 20 years old.

### The Story:

It is ironic that the web site lists "kissing" as this she does not like to do at all. I enjoy this very much, not too bothered about tongues but do want open mouth kissing. Nadia unfortunately keeps her lips tightly closed which is quite off putting. The OWO was good but I have never known a lady to keep stopping to wipe her mouth on a tissue. Cowgirl was good and I didn't last long. Nadia is sweet and friendly and her English is pretty good but this dislike of kissing spoils the GFE for me. I would recommend her if kissing is not important, but not if it is, hence neutral marking.
