The Premises:

HOD 2 location is a basement flat 5- 10 mins walk equidistant from Victoria/Pimlico tubes, reasonably well appointed/good facilities and quieter than my last visit as the building work going on next door seems to be nearly finished

The Lady:

Elise is an extremely horny, attractive Hungarian blonde, exactly like her pics on HOD site and Twitter. Great (natural) tits and arse and long shapely legs, dressed to thrill in black stocks/susps/lingerie/heels, just my type!

The Story:

Had my eye on Elise since her new pics went up about a month ago. Took the opportunity of a few days off for some "market research".

First punt with a new lady this year so far, as cutting down a bit/sticking to tried and tested "regulars".

I'd only booked 45 mins as on an "investigative" first visit so down to business straight away. Excellent DFK/groping soon had my cock stiffening and in no time Elise was giving my extremely hard cock some high quality deep throat/balls licking - wow!

Returned the compliment on her lovely pussy and I think she was enjoying that too, followed by deep fucking with her stockinged legs over my shoulders and then her on top for cowgirl, opportunity to sample her gorgeous breasts in my face!

Finished in 69 with further investigation of her pussy/arsehole while she gave my cock her undivided attention!

After all this intense activity I was knackered, not getting any younger unfortunately.

In time left had a relax/chat, establishing her future availability etc as I would def book her for a longer session to fully investigate her range of services.

Got myself together, another bit of DFK to farewell and emerged into the spring sunshine - had to take the steep steps up to street slowly as feeling a bit jelly legged after all that exercise, adjourned to nearest pub for recovery pint(s)

Enjoyed my first encounter with Elise - a great punt IMHO
