Details of Service Provider:

Profile Name: Charlotte - My Secret Life

Website: <http://mysexysecretlife.com>

The Premises:

Very easy to find safe and secure flat, about a 10 min walk from Paddington station. The flat is on the 4th floor but there is a lift available. Inside it is small but cosy and welcoming with a well appointed bathroom for a shower.

The Lady:

Charlotte is extremely attractive and she greeted me in her beautiful black lingerie with a gorgeous smile that never stopped. She looked breath taking.

She is a beautiful curvy lady just waiting to be cuddled as her website would suggest. The photos are a fair reflection, though they pale in to insignificance when she is stood in front of you and as a whole her website is an excellent honest introduction to her world

I would beg to differ with her best feature, to me it's that never ending smile.

A perfect companion

The Story:

Being my first time seeing Charlotte, this was out of my comfort zone but soft kisses soon put me at ease and I ended up having a wonderful time with her.

After a few email exchanges. Charlotte knew my wishes for an intimate GFE, and more, much more than received it.

As I'd hoped, she started kissing me as soon as the door closed, and the kissing never stopped apart from a brief time to have a shower and an offer of drinks. And she really does like to have her neck kissed.

Much of the time was spent lying in each other's arms kissing and touching, exploring each other's bodies. It is so much more than a 'service' it is a heavenly intimate experience with a friend. She is gentle and reassuring, attentive with a tender touch.

All in all, a truly delightful intimate and unrushed afternoon with a gorgeous hostess.

Would I go back to see Charlotte - without doubt.
