### The Story:

I was running late so only had time to spend forty five minutes with Beth. After a shared shower she gave me a very soothing body massage & surprised me by using her boobs as well as her hands - very very nice. I then had the opportunity to massage her, insisting that she lay on her back so I could play with her boobs easily.

She gave me expertly teasing owo whilst I played with her boobs and finger her pussy - she got extremely wet. She doesn't like the taste of CIM which is a shame.

After a few soaking wet minutes Beth put a condom on me, asked me to stand up beside the bed(hugh bed) she bent over in front of me so I could take her from behind, I was able to hold her hugh swinging boobs in my hands whilst I pumped into her pussy. She told me this was her favorite position as I can get deeper inside.

A thoroughly enjoyable session completed nicely with another shared shower.
