The Premises:

Centrally located apartment, with ample cheap parking nearby. Clean and well decorated, but no clock in room.

The Lady:

Slim, blonde Eastern European girl. Sexy accent. Great body, with decent size boobs and a lovely pussy. Pixie has a very pretty face with gorgeous brown eyes that she uses to great effect.

The Story:

Pixie is amazing. So friendly. We had a good laugh as well as a fantastic fuck.

I am most fortunate in that Pixie thinks that I'm the most sexually attractive bloke on the planet. She hasn't told me that, but I can tell by the effect I have on her. I seem to drive her crazy with desire. Oh, but then again, perhaps she's like that with all the guys.....

I used to be a regular with Pixie until she took her break a couple of years ago. I was excited to see she had returned, but events conspired to prevent me seeing her again until now.

I tweeted her in advance, and hoped she'd remember me. I was excited, but apprehensive. Would she be the gorgeous, enthusiastic girl I remembered or would it be like going to see an old rock band on a re-union tour?

I needn't have worried. She remembered me. She'd even checked up to see what I'd been up to while she was away. "You bad boy!!!"

She knew what I wanted without me asking. Lots of kissing and cuddling, and lots and lots of sucking. Her gorgeous brown eyes look you right in the face when she sucks - one of the sexiest sights ever. And my god, can she suck?

She seemed to remember that I was half decent at oral myself, and enjoyed a good tonguing, so much that she wanted seconds.

Then she said "Right, do you want to fuck me or I fuck you. No - I fuck you". She climbed on board on brought me to the brink several times. I asked if I could finish in her mouth and she happily obliged.

Can't wait to see her again.....

What a girl!
