### The Premises:

Discreet unit on an industrial estate. On being buzzed in, I was warmly welcomed by all the ladies present.

### The Lady:

Christine is VERY tall (6ft she claims and I don't doubt it) and curvy, and blessed with long black hair. She's very pretty with a dazzling smile. She didn't proffer her age, I'd say not much over 30.

### The Story:

Christine is the lady I so nearly chose on my last visit, and I wasn't going to miss out this time! Once in the room and when the cash was out of the way, Christine wasted no time getting down to it. I mentioned before my weakness for DFK and she is fantastic at this. She was getting me pretty turned on but I took it slowly so as to savour the moment as we undressed each other. Christine has a lighthearted style which I like and there was much teasing and lots of laughs. After a prolonged kiss and cuddle on the bed we finished with some pretty fantastic nooky and the time passed all too quickly - in fact we went over time but she didn't seem to mind.

This is my second visit to this establishment and once again it didn't disappoint. My only regret is that this may be Christine's last Sunday working there. I hope that's not the case as I'd love a return match. Have to think of an excuse to go to Doncaster during the week next time!
