### The Premises:

Christine's home was very nice and clean and very easy to find , with the directions that she gave me , there is plenty of parking .

I felt really safe leaving my car nearby as it is a very nice area , couple that with the discreet entrance this is a great place to visit.

### The Lady:

Where on earth do I start here, 1st of all she has legs that never stop , a fantastic figure on her that most girls would kill for. When she opened the door my chin hit the floor , she was in high heels a very , very small thong and a very sexy see through teddy as I requested. She looks even better in real life than in her photo's , you can trust me on that one.

### The Story:

WOW , she looked stunning in what she had on , the 1st thing that caught my eye was her legs, they went on forever, and as I made my way up the rest was WOW .

We went into the living room where we sat and chatted for a while and had a drink, we then made our way into her work area, I was asked if I wanted to take a shower 1st as I had just come from work and it was a nice hot shower at that .

I came out of the shower and she was already laying on the bed waiting for me , as I got closer she stood up and took what little clothing she had on off , we kissed a little and then she started to give me the best blow job I have ever had .

She knows what she is doing there , I had to stop myself cumming too soon , as she sucked on me I was fingering her and she came all over my fingers , as I licked that off my fingers she asked if I wanted her to sit on my face which I said yes to , she smelt good down there and tasted very nice . I do believe that she was quite impressed by what I could do down there and came again , after that she rode my cock like there was no tomorrow , and boy is she good at that as well , to finish me off she wanked me until I shot all over her nice firm tits .

What a fantastic evening , thank you very much Christine , I wish I could keep you all to myself.
