The Premises:

Louisa's flat is easy to locate once she has provided the information. A short walk from two central tube stops in London it's easy to reach and because the area is quite busy you can feel quite confident that you don't have people watching your every move.

The spaces used were perfectly set up for the play. A room dedicated to kink including a coat stand with toys hanging off, a four poster bed with cuffs pre attached and a seating area for us to chat and get acquainted beforehand. The bathroom is a short step out of the bedroom and towels were provided along with toiletries.

Given the type of play I didn't at any point feel that the noise created was going to cause issues or concerns for neighbours.

I felt very comfortable that our time together was going to be in a good setting.

The Lady:

Where to start. Louisa is gorgeous. Having studied her website and twitter pictures I had high expectations and they didn't fail to deliver.

Her lithe and slender body, pert little bottom, beautiful petite breasts and long flowing hair are all beautiful and the lingerie she had chosen was a blend of sophistication and slutty. Her secretarial look in white shirt and grey skirt with stockings was my preferred look and she delivered it perfectly. Working my way around her body was a dream and watching her body move on top of me was a sight to relish.

The Story:

Louisa is fastidious in her methods of booking. She is a lady in demand and can rightly be selective in who she sees. I am new to BDSM and knew what I wanted to enjoy. Following a number of emails about when to speak we finally got to talking around 4 days before our meeting. She sent an email through outlining how to go about things, confirmations and what she enjoyed. Those who are looking for a 'quickie' will be out of luck, this takes careful planning and that type of meeting is clearly not what Louisa enjoys.

Paperwork dealt with promptly, Louisa and I sat a while whilst we discussed the things I wanted to do to her. She smiles and engages with all the ideas and looked positively excited. I had a shower (London was absolutely boiling on the 13th - hottest day for 60+ years and we knew it!). On returning Louisa was stood obediently ready to be played with. Exploring her body, touching her neck and kissing, running my fingers over her breasts and then parting her legs slightly I touched her inner thigh as she let out a small moan. Skirt off and shirt down I told her to look ahead only.

I bent her over and asked her to hold her ankles whilst I spanked her with first my hand and then a paddle. She wasn't to stand up until told to do so. She obeyed like a good girl and eventually when I had made her cheeks rosy red I permitted her to stand and she sounded so relieved, she had been to the gym that morning and had worked her calves and was on the edge of being uncomfortable... yum. Over the chair she received further blows to her bottom quickly followed by a kiss or two on the stinging part.

Now time for her to show off her oral skills which she did with aplomb. Careful and fast she was throat fucked whilst I held her head deep onto my cock.

Having enjoyed spanking her I decided that she needed to be on the bed on all fours and I would uncover that beautiful pussy. Panties to one side I gently fingered her whilst inserting fingers into her mouth. Louisa drooled everywhere, so beautiful. Fingering her I moved onto oral and she was so receptive. Clit starting to protrude I rubbed gently before flipping her over onto her back and bringing her close. Denying her once was hard for her, she didn't have permission to cum. However, second time she got close to the edge I allowed her and she was noisy and so sexual.

What followed starts to become a blur. More fingering, more oral, more cumming. Ball gag in, cuffs on and hands behind back she was licked and fucked hard. Having freed Louisa's hands and mouth she and I moved with Louisa on top and she turned into an absolute potty mouth. Gorgeous words, so rude instructing me on how hard to fuck her as she came hard at the same point I did.

Collapsing into a relatively sweaty heap we both could feel the enjoyment in each others bodies.

I would love to play with Louisa again some time and get more adventurous with her. She is genuine, passionate and above all else she'll meet your expectations and deliver exactly what you want. She definitely enjoys her job and the fact that she's so good at it merely makes me want to see her again.

Thanks Louisa - great to meet you and hopefully we'll come across each other again.
