### The Premises:

A new premise for me. A little bit further north of the usual locations, and set in a nice new-build block

### The Lady:

Michaela is slender, about 5'5" with A/B breasts. She looks like her online pix and has long, jet black hair reaching almost down to her ass. She is such a nice pleasant personality and is easy to get on with

### The Story:

My first choice hadn't turned up for work that day, so I went with Michaela with whom I had a wonderful hour some 4 months previously. She stood before me wearing a pink thigh length chiffon nightie and I was pleased to be re-acquainted. I pulled her close as we kissed. She kisses a lot which is a A+ service for me.

Proceedings began with Michaela giving me wonderful OWO for the next 20mins. This was interspersed with 69 after which she returned to lying across the top of my legs with my cock in her mouth all the time. She kept her eyes on me with my erection in her mouth, which was a fantastic sight. She looked so cute the way that she looked at me with her mouth full. When my explosion came she directed my jizz all across her chest

Round 2 commenced with me giving her some body worship with my lips before arriving between her legs to spend a delightful 20mins in RO. This in time led to more HJ and a BJ which ended in a oily wank where I jizzed all over her hands

This was a fantastic hour with someone who I was happy to revisit. Next time that I'm in MK I would have no hesitation in seeing her again
