The Premises:

Discrete and indeed discreet premises entered by means of a buzzer system from a vestibule off the street. Parking with a 2 hour limit nearby and cash machine within 100 yards. You are shown to your room which is lit by candles by the receptionist or your masseuse. Good showers, complimentary drink provided. You are kept apart from other customers. Booking is strongly recommended.

The Lady:

There are masseuses at this establishment of every variety - the website gives accurate descriptions and an up-to-date rota should ensure you can choose a lady of your choice. Sofia is in her early 30s, busty and curvy with curly blonde hair and a very pleasant disposition.

The Story:

Hush offers a range of massage treatments as detailed on their website note that it isn't a FS establishment. Sofia gave a very tactile massage putting her body to good use on both face down/face up mode. It was an excellent experience & I left very happy and will certainly see Sofia again.
