The Lady:

What a gorgeous young lady, she is a dream come true (at least mine). She is in her mid 20's and her photos on her profile are accurate. She has a gorgeous body, with a great bum and some responsive perk boobs. She has a toned body, a silky smooth skin, a great figure and a lovely face. Her smile and her eyes captivated me all along.

The Story:

I had such an amazing time with her that I feel the need to share, and, as I can't share this experience with my relatives, I might as well share it with strangers.

I love to please and to be pleased. I absolutely adore oral sex, it ticks all the boxes for me. I actually almost can't have enough of kissing, licking, sucking a women lips (on her face and a bit further south). And Michelle gave me the opportunity to do that.

We kissed (the french way) passionately and that was a delight, I went down on her and got a lot of pleasure out of that, her little pussy was such an irresistible treat!!!

Her oral skills are great as well and she gave me this amazing deep throat blowjob.

I could go on and on about how good the oral foreplay was, but I think you got it ;-)

Of course we had sex as well and she made me cum in a position I had never tried before that day!!!

During the session we had a some great laughs, a lot of fun, sensuality, teasing, strokes, kissing, pleasure, soft and intense sex: in other words the super duper Best possible girl friend experience.

This has to be one of the best time I ever had with a girl, paid or not!

Thank you, thank you, thank you.....
