The Lady:

Leah has the classic, sweet and innocent "butter wouldn't melt" look about her. Do not be fooled by this. She is extremely pretty with gorgeous long, blonde hair and a fantastic body. She is just my type and her pictures are a good guide. I would say her age of 22 is accurate although she is so cutesy, I would have guessed even younger had I not known. Leah wore a lovely one piece lingerie and was just what I was hoping for.

Kayley is also very sexy in a different way. She has more of the bad girl from next door look about her. Very petite and very young at just 20 years old with a tight, tiny body. She is sure to be a big hit! In keeping with her look, Kayley was wearing provocative underwear and also has long blonde hair. I really do like blondes! Again, pictures are a good guide and I was sure from the off that this was going to be an awesome time!

The Story:

Oh yeah! What a memorable visit this was!

I have been punting for a while but have only had a couple of 2 girl experiences before and was quite nervous. The girls came into the room looking lovely and both greeted me with a lovely french kiss. Paperwork dealt with right away I thought it only right to check the girls' boundaries. Leah doesn't list 2 girl interactive as one of her services which I had noted before anyway but this doesn't really matter to me though she did welcome me to enjoy both of them. I didn't need to be asked twice.

Once naked I joined them on the bed and Leah wasted no time in grabbing my cock and slipping it into her mouth. She has a lovely smooth technique and appears to enjoy doing it. It really was a fantastic, slobbery blow job while I kissed Kayley and explored her body. Then it was time to swap! Kayley went straight to work after Leah (without the need for a complete clean up as I have had before in a 2 girl appointment) with an insane deep BJ that made me shudder from head to toe.

Leah said "she's good at that isn't she?" and I had to agree. My dreams came true when they moved on to a double BJ with one sucking my cock while the other licked my balls and were alternating while looking right up at me. This really is as good as it gets!

A few minutes later and the last bits of lingerie were removed and I was on my back ready for action. Leah covered me up, stood up, turned around and then squatted right on me in reverse cowgirl and I could not believe my luck. What a sight to behold. Leah's perfectly shaped ass was bouncing up and down on me and Kayley sat legs apart right by my face so I could taste her sweet pussy. It's hard to do your best work when you have a beautiful young lady riding you but Kayley appeared to appreciate my efforts. Leah responded well too when I went up a couple of gears. Then Kayley crawls across the bed to me and whispers in my ear "So, are you going to cum in my mouth today?". Both of these girls really do give their all.

Time to mix it up, a bit and I asked Kayley if I could take her from behind but she asked if we could do missionary as going straight into doggy is uncomfortable for her. Happy to oblige. Now, I have never had any complaints but I wouldn't say I am exactly huge while Kayley is young, petite and, as you might expect, very tight. I enjoyed missionary, and Kayley appeared to, although I could sense it was uncomfortable for her. I asked if she was OK and told her I didn't want to hurt her. She said she was OK but I didn't want her to be uncomfortable so I didn't continue for long. If you are a big fella, please remember that Kayley is only little. Be gentle.

Off came the condom again and Kayley took me into her mouth again while Leah knelt next to me and pushed her lovely, soft boobs into my face. I couldn't keep my hands off Leah's gorgeous body or my eyes off Kayley greedily slurping on my cock. It really was an absolute bliss moment and I was determined to enjoy every moment of it. Kayley's varied technique and Leah's words of encouragement like "are you going to shoot your cum into her mouth?" had me in overload and I exploded into Kayley's mouth. She looked me in the eye, sucked every last drop from me and then swallowed it down in one effortless gulp. Unbelievable!

It took me a good few embarrassing minutes to catch my breath and the age difference between me and the girls became even more obvious. This really was an experience to remember for a very long time and is up there as one of my best punts ever. Both girls are super sexy and incredibly good at what they do. Enthusiastic and filthy and I would recommend either of them as a solo or the pair of them as a great double act. Thank you for an incredible time Leah and Kayley.
