### The Premises:

Nice, cosy apartment in central Milton Keynes. Plenty of parking in the evenings as it's in a business area and parking frees up after office hours.

### The Lady:

Slender, charming and incredibly gorgeous. Quite petite, mid 20s. Every inch is incredible.

### The Story:

I was a little late but she was fine with this. She walked in looking stunning in just a bra and thong. We hugged and kissed and then I asked her to get onto the bed. She gave me a footjob, which I have to say felt amazing and after a while, I couldn't resist...I climbed on top of her and began to worship her perfect smooth soles and suck on her pretty little toes. I did this for a good 15 minutes before it became too much. I left feeling incredible and I cannot wait to see her again when she's next working.
