### The Premises:

Quite the most welcoming and fit for purpose venue I have ever visited. Clean, tidy, comfortable, well maintained with ample free parking adjacent. Arrived a little early so shown to reception area by the lovely Nicole until Jayda was free. Followed Jayda up stairs to room and that rear view of those long legs and perfect bum had me hard already.

### The Lady:

Simply stunning from head to toe. Leggy, tanned blonde, great bum, full firm breasts with doorstop nipples, wonderful smile & laugh, piercing eyes, exceptionally pretty face with amazing cheek bones. My vision of perfection.

### The Story:

An experience I have now repeated several times over the last six months or so with this lovely lady and one I intend to repeat again as often as possible. I was freshly showered so stripped off as Jayda was removing her sexy 'uniform' and even sexier lingerie to reveal that tanned and toned bod. Very friendly throughout and conversation only ceased when I was unable to speak due to the pleasure I was receiving and a lack of vocabulary on my part to adequately express the sensations that I was enjoying. Good massage to leg, back and arms with plenty of attention to my cock, balls and bum and then Jayda ran her nails along my shaft several times and I nearly had a very premature happy ending! Jayda moved to the top of the couch with her pussy just inches from my head and leaned over to rub her oiled breasts over my back, heaven. Jayda next climbed on my back rubbing her breasts and pussy over me in the most erotic b2b ever. Turned over so I could feast my eyes on this gorgeous lady as she worked her magic again on me and rubbed herself against me on the front with plenty of opportunity to touch her legs, bum and magnificent breasts. Plenty of attention to my nether regions before climbing on board again and laying beside me on the couch with her breasts and pussy next to me before bringing to a very oily & an extremely happy ending. Already looking to make another appointment asap.
