### The Story:

Shell shocked at how fit this girl is! I can't believe I haven't booked her before cos my god, shes a stunner. Booked her for an hour cos her prices are kinda high but wish I'd had her for longer, the stuff this girl is into! First of all she kissed me with a DFK within minutes of entering my flat, got naked and gave me an amazing massage, rubbing her huge tits up and down me with her hard nipples. She asked me to get in the shower for a wash and to my surprise, JOINS ME without me even asking. We had some fun in the shower, she gave me a banging hand job and I cum on her tits then and there. Her Russian accent is sexy as well and she moans and groans the whole time. Good at deep throating too and up for all sorts of positions! When we came out of the shower and after drying off and chilling for a bit, I built up my stamina again and we banged all over my flat, against the wall, on my carpet, on the couch. Seems like Milli is keen to take it anywhere and with proper enthusiam. Sexy
