### The Premises:

As previously reported by many, comfortable, well maintained, clean and fit for purpose. Plenty of free parking adjacent. Greeted and shown to the room by the gorgeous Millie, my heart was pounding!

### The Lady:

Tall, brunette, busty, Finnish goddess with a very strokeable bum and amazing full natural breasts with doorstop nipples that beg to be sucked. Sultry and seductive smile and demeanour and very pretty facially.

### The Story:

Wonderful hour with an extremely sexy lady who knows her way around the male anatomy like the back of her hand. First rate massage smoothing out all the tension in my back and shoulders, lots of attention to my nether regions during the face down part of the massage, body to body with those breasts rubbing against me. Highlight of part one was lots of oil drizzled into my bum and Jess running a finger down my crack onto my balls and then stroking my cock. Rolled over and now I could stroke and enjoy Jess's body, stoked her bum to my hearts content. Sucked on both nipples and had breasts around my face, amazing tit wank, nearly came, then Jess poured copious amounts of oil over my cock, knelt between my legs and wanked me into oblivion. Absolute heaven.
