The Premises:

Nice apartment in the Gloucester Road / Earls Court area. Spacious and comfortable. Shower was really nice and I was given everything I needed to relax and have a good time.

The Lady:

Ive looks just like her pictures (there's obviously a little touching here and there). She told me she's actually in her early 40's but you really wouldn't know it to look at her. In fact, she could quite easily pass for a woman half her age. She told me that it's something to do with her genetics! She says she doesn't speak good English, but I found her really very easy to talk to and she could understand me very well. I've met much worse English skills through Babylon to be honest. We had quite a laugh really, she's very funny and quite like a real girlfriend.

The Story:

Ive was wearing tiny denim shorts, a flimsy top, hold up stockings and high heels! She looked amazing to say the very least. she's clearly a woman of style. Her kissing is outstanding and she really goes for it. It's clear she loves what she does. Deep french kissing is second to none! She's vocal and looks you in the eye. This carried on after she'd stripped naked and dropped to her knees to give me some really nice OWO!

A reciprocated with going down on her, which she loved and subsequently came. Sex was like having it with a girlfriend. It was very passionate, looking into each other's eyes etc. and lovely kissing etc. Missionary was the best I've had with an escort and very passionate. Ive came again in spooning position. She's very flexible and her legs are lovely! I finished inside her with her on her front with her legs closed. A great position and very intense.

This woman loves it! All ways! I would definitely recommend.
