The Story:

Having been the first punter who she met back at Madam Beckys in MK I decided my visit was long overdue . Karolina is still the girl who I fell in love with back on that first meeting and was the cause of my spending way too much money on indulging myself in her company . Needless to say I enjoyed my visit and we reminisced about our first meeting and the meetings that followed . It is enough o say she hasn't changed a bit she is still the sex mad nympho I remember still so fondly and I will return again sometime soon no doubt .
