### The Story:

Arrived on time and only waited a few minutes for Ella to arrive. Greeted me with some lovely French Kisses then worked her way down my body to then took me in her mouth which was wonderful. I then asked if I could return the favour which she quickly assented to but said once she came she was very sensitive. Tasted wonderful and I am pretty sure she came. Went back to kissing and cuddling and chatted for a while until I asked if I could go back down. I did and again pretty sure she came, a little moan and a series of shudders as before. I'm not good at the sex side so asked if I could come over her breasts which she assented to and I did. Overall a bloody good punt and a score of me 2 and Ella 1.
