The Premises:

Basement flat, reasonably tidy and well maintained, 3 star i would guess if rating it, bed was very soft.

The Lady:

She matches the photos on the website but am guessing there has been a tiny amount of touching up and although it says she is a size 6 i'd say she was definitely a size 8 IMO which annoys me a little as I like to spend time with petite small women.

The Story:

A little disappointed when i met her due to the dress size issue but she was dressed sexily and greeted me with a smile. Showered on my own again a little disappointed but then was very happy with her bj techniques. Had a good session in several positions then let her work her magic with a hand massage which was very nice. She is a nice lady and gave a good service just wish she had been a proper size 6!!
