### The Premises:

Seems that people on here are familiar with Chelsea Cloisters...

Shared flat with another girl. Shower facilities but not directly attached to the bedroom (just next door in the hallway of the same flat). If another person was there seeing the other girl at the same time, clever timing would be needed (not sure if that actually happens...)

### The Lady:

As depicted in the agency photos. Very attractive, personable, and enjoyed our conversations when other things weren't happening.

### The Story:

This is my 2nd of 3 hirings during my first week ever visiting escorts.

Arrived, exchanged pleasantries and funds, then talked for a short while before starting. Shortly after starting, was told kissing and OWO were both separate upcharges. As I mentioned in my last review, Babylon doesn't seem to keep services listings for the girls, so hard to know this stuff beforehand. I didn't partake in the upcharges as I just decided to save those funds for future hires.

Round 1 commenced with the standard rotation of positions. As it came to it's inevitable conclusion I asked for COB....another upcharge. Again, didn't partake in the extra.

Had some pleasant conversation between rounds and after #2. She was very fun to talk to actually. We laughed a bit here and there. Was offered a shower to clean up and off I went.

About my recommendation...I really liked Sophi as a person. She was very attractive and had a nice body and the sex was good. I was just a bit put off about all the upcharges. So just be aware of this going in. I don't think that will stop anybody from having a good time with her but you may need to pay a little more than her advertised rates.
