The Story:

This was my first time punting and it was after a great deal of research. Thanks to my fellow punters who wrote detailed reviews which help take the first step. Made an appointment a day in advance as Nicola is in great demand and reached there with 10 mins to spare. I was asked to wait in the room and warm up as it was freezing outside. Nicola came in wearing a risqué strappy garment. She made me feel very comfortable. I started with a small gift which I had picked up and she liked it. She sensed I was nervous and helped me get over it. Started with some FK and DFK. Her tongue does wonders during DFK. She tasted a bit like strawberries. We then moved to the bed and I started with RO. She is great down there and made all the right signs. Once she came, she proceeded to return the favour with a great OWO. We then tried with her on top, doggy style and then finally her riding me to climax. We chatted a bit and she told me her birthday was coming up. So HBD Nicola if you read this. Couldn't ask for better first time Experience. Looking forward to seeing her again after her vacation.
