### The Premises:

My first visit to this place. Nondescript outside but clean and modern interior. Decent shower, clean room and fresh towels

### The Lady:

Abbie is really quite stunning. A gorgeous, lushly curved blond, skin like silk and a dazzling smile. Yes, her pics show her as brunette but that's not a big issue for me. Looks to be in her mid 20s.

### The Story:

This was my first time punting for nearly eight years. I had always been to the now sadly closed Sandies Superstars in Manchester so my expectations were quite high. Abbie went out of her way to put me at my ease. I asked for a massage with oil- she said she was good and she certainly wasn't lying. Deep, slow and unrushed. At this point I've got to say that a long night shift the previous night meant that I was not able to reach the sort of conclusion I wanted. Too tired, tense and nervous. This was in no way Abbie's fault. Her oral skills are outstanding. She let her tongue play over my balls and shaft in a way that had me gasping. She slipped a condom on and rode me. The sight of her grinding down on me and smiling that lovely slow lazy sexy smile of hers would have had me shooting my load had I not been quite so stressed and tired. Abbie - the problem was mine and most definitely not yours.

Gents - my gut feeling is that this girl is an absolute gem. She is very good at what she does. Treat her with respect and communicate with her like a human being and you won't regret it. Abbie, I'll be back as soon as possible and we can pick up where we left off..:
