The Premises:

Spotlessly clean apartment in Centro, Milton Keynes, with plenty of parking.

The Lady:

A beautiful young Philippine (the photos do not give justice to how beautiful she is). Very happy, slim and around 5 foot tall, with long hair.

The Story:

I arrived to be met at the door by Apple, who was dressed in a bra, knickers, stockings & very high heels. Apple struck up a conversation and showed me to the bedroom where I was offered a drink. Apple began by kissing and undressing me, before providing me with a sexy striptease. We enjoyed some more kissing and DFK, as my hands explored this her beautiful body. Next she slipped to her knees to give me an amazing OWO including DT.

I asked Apple was there anything that she particularly enjoyed doing, which she replied with 69 (which happens to be my favourite). Whilst 69ing, I indulged in a little rimming, which Apple seem to enjoy, so I did some more and stuck a small finger in her cute arse, which made her cum over my face.

We then got into more DFK, before Apple climbing on to me, her tight pussy felt awesome, stretched around my cock, we swapped positions a few times, before I filled the condom. Apple cleaned me up and came in for more, DKF, OWO & 69ing to finish. There was no rush, in fact I think we went slightly over my time. After dressing, Apple now back in her lingerie, kissed me, before showing me to the door, followed by FK, just before opening the door.

My only regret is that I could only have 30 minutes in her company due to my work schedule, I will definitely be back next time I working in Milton Keynes and will be finding more time to spend with Apple. Apple is definitely one of my best punts ever and recommend her to you all.
