### The Story:

after she allowed me in her room, she called in her partner and asked if I needed threesome, I opted out and chose only her. she then got naked and began giving me a good blow job, she was sucking my dick so well, like really a professional blow job giver, really pleasing as i was feeling her boobs, I requested for 69, which she obliged and i began eating her pussy which was nice, and simultaneously i was fingering her asshole, then she put condom over my cock and started sucking my cock again to make it super stiff. after a good hard on she positioned herself in doggy, and began rubbing her pussy on my cock, it was too much to handle and I sadly came without penetration, therefore my experience ended without fucking, but i was pleased and with definitely visit her again.
