The Lady:

Micheala is a beautiful, young and slim Romanian lady with long dark hair and dark eyes. Very easy going personality and she certainly goes out of her way to make you feel special.

The Story:

Michaela always looks amazing in her Twitter and profile pictures but I've never had the chance to meet her. A long weekend in London gave me the opportunity to head up from Euston and put that right and I'm so glad that I did. Buzzed up to the flat a few minutes before and Michaela joined me soon after looking stunning in a black one piece outfit, black hold ups and heels. An introductory chat and kiss before Michaela asked what services I was looking for. The room was rather warm despite the welcome fan so I asked for a slow and sensual girlfriend experience and Michaela delivered it with perfection. Lots of kissing as we stood at the end of the bed before laying down and Michaela gave me owo. Lot of variety of speed depth and eye contact before we moved to 69 so I could return the favour. Not wanting to finish too early Michaela laid down after a few minutes so I could give oral to her. Such a beautiful pussy which I could have spent all day enjoying but Michaela expertly applied a condom with her mouth before mounting me for lots of slow and deep cowgirl with plenty of kissing in between. Michaela is certainly a very generous kisser. Missionary followed nice and slow with more kissing before the awesome sight of doggy in front of the mirror. We switched back to cowgirl and as time pushed on the tempo increased and I finished with Micheala on top. Michaela insisted on cleaning me up before joining me on the bed were we spent the remaining few minutes kissing and talking before it was time to go. A final hug and kiss at the door before I was away with a huge smile on my face. An amazing time with a beautiful, friendly and very sexy young lady who absolutely put the friend in girlfriend experience. Will definitely make every effort to see Michaela again. Awesome x
