### The Story:

Today was a pleasant surprise cos I got the alert on Twitter that she was back in Mkescorts. I made appointment to see her a while ago but on the day itself she couldn't come in and afterwards she left so you imagine my surprise when I saw on the Mkescorts Twitter feed that she was back.

This visit was not planned but I just couldn't wait. Arrived at the appointed time and she strolled into the room moments later. Honestly if you follow Talia on twitter then you can understand that she is as classic as her writings and postings. Nice black outfit and that smile that will just make you melt.

We just got talking no rush and when she had my dick in her hand it felt like heaven. Sucking it and starring deeply into my eyes. The only other person that does it so well for me is Jaylyn (who has now left). Talia is like a replica of Jaylyn but with even added benefits. It's always nice when you don't feel rushed but when you meet someone who is smart and even though it's a job, they also enjoy every minute of it. If you like that super sexy hottie as she is described, then Tali is the one for you. You are guaranteed a cracking good time from start to finish. Next time am gonna see her for even longer. Extremely recommended whenever you see her as available
