The Premises:

Booking took place in Amy's flat, plentiful visitor parking, discreet with people coming & going so you aren't noticed. Convenient location, easy to find with clear directions from Amy. The flat is very clean with shower available (within your booking time) & refreshments offered. Felt safe with no concerns.

The Lady:

In my opinion Amy is beautiful, her pictures don't do her any favours; she is so very much prettier in real life. I find Amy to be a perfect height for me at 5"8", she is slim but not anorexic. She has long red hair with a light dusting of freckles, natural breasts, 1 small tattoo (easily forgivable), doesn't smoke or wear make up. I have seen Amy several times & find she has a real enchanting natural charm & beauty.

The Story:

I have seen Amy several times & always leave happy & satisfied. She doesn't jump on you & rip your clothes off; Amy lets you take the lead & goes at your pace, reacting quickly & knowingly to your movements. Amy provides all the services she advertises, happily & without issues. Sex in all positions requested with oral both ways. She isn't a dominatrix (too caring!), but she is very handy with her whip or cane; I have enjoyed a satisfying bdsm session with Amy. The girlfriend experience Amy provides is second to none; delivered with such warmth & affection I often forget that Amy's not actually my girlfriend. Initially Amy can be quiet & a little shy; she is honest, drama free & refreshingly open, with a smile that can light up a darkened room. I always feel I have Amy's full attention during my booking, she doesn't clockwatch & I always get just the time I pay for. Very understanding of older, unattractive, self conscious men like me; never any problems.
